

The Cry for Rain

FGA

Restore our fortunes, Lord,
like streams in the Negev.

Psalm 126:4 (NIV)

Prayer

"God, do it again—bring rain to our drought-stricken lives."

A shared cry of hunger, calling on God to restore and renew us.

Posture

We come with humility and dependence—recognizing that the harvest begins with God, not us.

Practice

We gather in prayer for the harvest: covering every seed, every step, and every season with intercession.

Promise

God restores what is dry. He brings streams in the desert and renewal to His people.

Guided Prayer

Lord, as Your people, we come before You together. We acknowledge our need for You. Where we have grown weary or dry, bring Your living water. Stir in us a deep hunger for Your presence. Do it again among us, O God. Restore, renew, and revive us as a community. Amen.

"God does nothing but by prayer,
and everything with it."
