

The Posture of Dependence

But you will receive power when the Holy Spirit comes on you; and you will be my witnesses.

Acts 1:8a (NIV)

Prayer

“Holy Spirit, come and fill us with Your power.”
We corporately cry out as your church long
to be empowered by God’s presence.

Posture

We choose dependence over self-reliance,
waiting on the Spirit before moving forward.

Practice

We cultivate daily, weekly, monthly rhythms of
waiting, listening, and seeking God together.

Promise

“You will receive power.”—Acts 1:8
God empowers His people with His Spirit
for His mission.

Guided Prayer

Holy Spirit, we wait on You. Teach us to depend on You as a people. Where we have relied on our own strength, lead us back to Your presence. Fill us with Your power so that we may live and serve as Your witnesses. Shape us before You send us. Amen.

"Without the Holy Spirit,
Christian work is merely human work."
