

The Promise of Overflow

FGA

All of them were filled with the Holy Spirit.

Acts 2:4 (NIV)

Prayer

“Holy Spirit, fill us again and let us overflow.”

Posture

We remain open and yielded—continually making room and space for God to fill us.

Practice

We respond as the Spirit prompts us.
We speak, serve, and step out in boldness.

Promise

God fills and enables His people.
What begins in His presence overflows
into a harvest of transformed lives.

Guided Prayer

Holy Spirit, fill us afresh as a people. Let Your presence overflow in our lives and in our community. Lead us to those who need Your love. Empower us to speak, to serve, and to live boldly for You. May we see a harvest of joy, lives changed, and hearts restored. Amen.

"The Spirit-filled life is not a special deluxe edition of Christianity. It is part and parcel of the total plan of God for His people."
